DOWNTOWN FREDERICK, Frederick, MD

A rare offering in the heart of Downtown Frederick, this newly built 2023 residence redefines modern luxury while embracing the charm and character of its historic surroundings. Elevated above the city, it offers a quiet and private sanctuary just steps from award-winning dining, boutiques, and cultural landmarks—perfect for those who desire the best of both worlds: serene retreat and vibrant urban lifestyle. With convenient access to Washington, D.C. and Baltimore, this home is also an ideal escape from the city, offering low-maintenance luxury living with effortless commutability.

This exceptional home features two spacious bedrooms plus a den—ideal for a home office or flexible space. The open-concept living room, dining area, and kitchen are framed by windows spanning the entire unit, flooding the home with natural light, merging the indoors with the outdoors. The primary suite rivals that of a luxury hotel, with a beautiful en-suite bathroom and direct access to the patio.

From the moment you arrive, the differences are clear. Beyond the standard new-construction finishes, the sellers have invested in thoughtful, post-construction enhancements designed for both elegance and convenience. The expansive patio—already a rarity in downtown living—has been elevated with automatic awnings and retractable drop screens,

allowing you to block the sun, create shade, or enjoy complete privacy at the touch of a button. Set at the back of the building, the terrace overlooks Frederick’s historic skyline while being thoughtfully recessed, ensuring no one below can see onto the patio. This is an outdoor space designed as a true extension of the home—a hidden jewel for quiet mornings, private entertaining, or sunset views over the city.

Inside, the upgrades continue. A built-in speaker system delivers seamless, whole-house entertainment, while a state-of-the-art security system with keyless entry provides both modern convenience and peace of mind. The kitchen is a chef’s delight, appointed with luxury Cafe-brand appliances that blend striking design with top-tier performance. Every element has been selected to elevate daily living into something exceptional.

The convenience of an oversized, private two-car garage—a rarity in downtown Frederick—adds unmatched value, ensuring both secure parking and abundant storage.

Designed for those who value privacy without sacrificing connection, this condominium is the perfect balance of low-maintenance luxury and city access. With all furnishings and décor negotiable, it is offered as a turnkey opportunity to embrace a lifestyle defined by elegance, ease, and distinction.
