Cul-de-Sac Privacy Meets Urbana
Convenience

Set on a quiet cul-de-sac and backing to serene woods, this beautifully maintained home combines privacy, seasonal charm, and resort-style community living. With a new roof (2024), new front windows (2024), dual-zone Trane HVAC (2021), and updated fireplace liner (2023), the big-ticket items are already taken care of—just move in and enjoy.. The location makes it easy to enjoy all four seasons—fall foliage creates a stunning backdrop and the perfect setting for neighborhood trick-or-treating, the gentle slope of the backyard invites sledding in winter or rolling in the grass come summer, and nearby pools and playgrounds are just a short walk away.

Main Level

Step inside to a bright two-story foyer that sets the tone for the home—its open and inviting layout. Hardwood floors and light maple cabinets enhance the airy feel throughout. The gourmet kitchen is designed with both functionality and connection in mind, featuring stainless steel appliances—including a refrigerator with built-in water dispenser and dual ice makers—plus a wall oven, built-in microwave, dishwasher, and a large island with seating. The island—its cooktop with downdraft allows you to cook while engaging

with friends and family”or even keep an eye on the game”without turning your back.

Just off the foyer, a spacious office/study offers the perfect work-from-home space. The family room, showcases a striking masonry fireplace and a wall of windows leading to the screened porch”ideal for gatherings and entertaining.

French doors from the sunroom provide direct access to the screened porch, deck, and backyard, creating a seamless flow between indoor and outdoor living. The screened porch feels like a true extension of the home, featuring a window-style system that allows for comfortable use through three or more seasons.

Inside, the sunroom”expanded by a 4-foot bump-out (also carried through to the basement)”impresses with its cathedral ceiling and striking Palladian window. The formal dining room adds elegance with its bay window, chair rail, and crown molding. A convenient half bath completes the main level.

Between the garage and the main living area, a mudroom houses the washer and dryer for added convenience.

Upper Level

The spacious primary suite includes a sitting area, two separate closets, and a luxurious bath with dual sinks, a large vanity, Jacuzzi tub, and separate shower. Three additional bedrooms share a full bath with dual sinks. Many rooms have been freshly painted, creating a move-in ready feel.

with tile flooring and a tub/shower combo, plus walkout access to the fully fenced yard with a storage shed. A large unfinished area with shelving and a mud sink provides excellent storage and workspace.
