The Delray II offers the same smart, open floor plan as the original Delray™ just with a little more flair on the exterior. With board & batten shutters, a large gable with decorative pediment, shake siding, and vertical accents, this home has serious curb appeal.

Step inside to discover a bright and open first floor with 9'™ ceilings and durable Luxury Vinyl Plank flooring throughout. The spacious living room flows into a well-appointed kitchen featuring granite countertops, 36" white cabinets with crown molding, a center island, and stainless steel appliances including an electric range, microwave, dishwasher, and garbage disposal. The adjacent dining area includes a 6-foot sliding glass door, offering easy access to a future optional 6x12 composite deck.

Upstairs, the layout is just as impressive. The owner's™ suite features a large walk-in closet and a private bath with a 5-foot shower unit with a built-in seat. Two additional bedrooms each have their own closet, and the second-floor laundry closet makes laundry day a breeze.

The Delray II also includes a large unfinished basement with a 2-piece plumbing rough-in, giving you the option to expand your living space now or later. Natural gas heat, public water and sewer, and energy-efficient construction round out this fantastic home.
